CAREER OBJECTIVE

web devloper with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high-quality results under strict deadlines. This quality and results-based approach drove me to to create a digital marketing campaign that tripled average signups in a single month. Eager to obtain a challenging position at a prestigious company that will expand my learning and build upon my developer skills.

WORK EXPERIENCE

Web Developer

Fresher

📅 - current

📍 Kathmandu City

-
-
-
- Created web pages best practices in React.js .
